Seacrest Rehabilitation & Healthcare Center Hosts First Easter Egg Hunt Local Children Join Easter Bunny at Little Egg Harbor, N.J., Skilled Nursing Facility

LITTLE EGG HARBOR, N.J., April 13, 2022 — Seacrest Rehabilitation & Healthcare Center's first Easter Egg Hunt drew more than 150 local children and their families to the Little Egg Harbor skilled nursing facility in April. In all, more than 1,800 eggs were gathered at what is sure to become an annual event.

The Seacrest grounds were brightly decorated with colorful signs and Easter decorations, adding to the festive atmosphere of the day. "The Seacrest team did a great job of organizing and orchestrating the event," said Pam Montemurno, regional director of market development at Marquis Health Consulting Services, which supports the skilled nursing facility.

She noted that the Easter Bunny was on hand to mingle with the children, and each child received a goody bag filled with snacks and treats. The Easter Bunny joined the hunt and posed for photos with the children.

Located at 1001 Center Street, Seacrest Rehabilitation & Healthcare Center is a 171-bed skilled nursing facility, providing post-hospital care, short-term rehab and long-term residential care. The facility carries a five-star designation from the Centers for Medicare & Medicaid Services (CMS) for both overall quality and quality of resident care.

Based in Brick, N.J., Marquis Health Consulting Services is a highly skilled and vision-driven nursing home consultant that supports Mid-Atlantic and New England facilities totaling approximately 6,000 skilled nursing and assisted living beds.
