ASBURY PARK, N.J., June 29, 2022 — Marquis Health Consulting Services and three of its Jersey Shore skilled nursing facility clients teamed up to support [Trinity Episcopal Church's Food Pantry](#) in Asbury Park. More than 400 reusable bags – a response to New Jersey's recent ban of single-use plastic bags – and cases of food were among the partnerships' contribution; the bags will be utilized for food delivery and given out to food pantry guests.
