Oakland Rehabilitation & Healthcare Center Among “Best Nursing Homes 2023”

Bergen County Provider Recognized for Quality Care and Services

OAKLAND, N.J. (Oct. 20, 2022) – [Oakland Rehabilitation & Healthcare Center](#) in Bergen County has been named among the nation’s top skilled nursing facilities in *Newsweek’s* [“America’s Best Nursing Homes 2023.”](#) The 215-bed center, located at 20 Breakneck Road in Oakland, provides post-hospital care, short-term rehab and long-term residential care.

Oakland is a previous winner of *Newsweek’s* America’s Best Nursing Homes honor. The facility maintains a five-star rating from the Centers for Medicare & Medicaid Services (CMS) and serves as a “preferred” provider for three local health systems.

Newsweek, in partnership with global data research firm Statista Inc., announced its America’s Best Nursing Homes 2023 in October, identifying the nation’s top 475 facilities across 25 states. This year’s criteria include a performance data score, reputation score and a COVID-19 score, in relation to in-state competition.

“Oakland’s recognition, time and again, as one of New Jersey’s – and America’s – top nursing homes is a testament to the efforts of the entire team there to provide the highest level of quality care and services,” said Ugochi Opara, regional director of market development at Marquis Health Consulting Services, which supports the facility. “We congratulate Oakland on this well-deserved honor.”

In addition to its clinical programming, Oakland is committed to serving as a healthcare resource for the community. To that end, the facility has established a [library](#) of physician-curated content, addressing many topics of interest; it can be found at oaklandrehabhc.com.

Brick, N.J.-based Marquis Health Consulting Services provides administrative and consulting services to skilled nursing facilities and senior housing communities along the Eastern Seaboard. The organization’s operational guidance enables its client facilities to overachieve their quality and customer service goals by embracing a progressive, multi-specialty approach to healthcare.
