Orchard Hill Welcomes Dr. Mouhamad Annous to Medical Team

Respected Vascular Surgeon Joins Towson, Md., Skilled Nursing Facility

TOWSON, Md. (Nov. 3, 2022) — [Orchard Hill Rehabilitation & Healthcare Center](#) has announced the addition of board-certified vascular surgeon and wound care specialist Mouhamad O. Annous, MD, to its clinical team. Located at 111 West Road in Towson, the 134-bed skilled nursing facility provides post-hospital care, short term rehab and long-term residential care.

Dr. Annous' appointment enhances Orchard Hill's Chronic Kidney Disease (CKD) Management program, which provide onsite hemodialysis and the management of dialysis ports and wound care for nephrology patients. Under the direction of board-certified nephrologist Dr. Kamal Sewaralthahab, the CKD management program aims to preserve patients' kidney function and prevent further decline through a balance of treatment and education. The facility's onsite hemodialysis operates in partnership with [Davita Kidney Care](#).

"Orchard Hill is the first in the area to incorporate a vascular partnership such as this, continuing to lead the way in introducing progressive skilled nursing services in the Baltimore area," said Nikki Gachot, regional director of market development at Marquis Health Consulting Services, which supports the facility. "Dr. Annous is working closely with Dr. Sewaralthahab and the dedicated care teams from Davita and Orchard Hill to ensure the best possible outcomes for the facility's nephrology patients."

A highly respected physician in the Greater Baltimore area for more than 40 years, Dr. Annous holds certifications in both general and vascular surgery from the American Board of Surgery. He is affiliated with Premier Vascular Center of Maryland and the major hospital systems in the region, including the University of Maryland Medical System and Johns Hopkins Health System.

"Dr. Annous is widely known for his medical expertise and compassionate care," Gachot said. "Orchard Hill is thrilled to welcome him to the team."

Orchard Hill recently completed a multi-million-dollar renovation with top-to-bottom upgrades. Throughout the modernization, the skilled nursing facility has continued to enhance its specialty programming in partnership with leading regional healthcare

providers. Its comprehensive offerings also include Cardiac Care, Palliative Care and Physiatry, as well as Pulmonary Rehab featuring a full-time respiratory therapist.

Serving as a healthcare resource for the families of patients and the local community, Orchard Hill maintains a [resource library](#) of physician-curated content, addressing many topics of interest. It can be accessed on the facility's website, orchardhillrehab.com.

Brick, N.J.-based Marquis Health Consulting Services provides administrative and consulting services to skilled nursing facilities and senior housing communities along the Eastern Seaboard. The organization's operational guidance enables its client facilities to overachieve their quality and customer service goals by embracing a progressive, multi-specialty approach to healthcare.
