Crest Pointe Celebrates Janet Corbin's 106th Birthday

Point Pleasant Skilled Nursing Facility Marks Milestone for Brick, N.J., Resident

POINT PLEASANT, N.J. (March 17, 2023) — [Crest Pointe Rehabilitation & Healthcare Center](#) this month celebrated Janet Corbin, a Brick, N.J., resident who marked her 106th birthday at the Point Pleasant skilled nursing facility. The secret to living her long life, Corbin says, is her brandy with a shot of hot water.

Corbin, who loves a good romance novel, is a Union, N.J., native who moved down to Brick with her family in 1968. A bookkeeper prior to raising her family, she said she dedicated her career to the best job of all: being a mother. Janet has four grandchildren and five great-grandchildren. Her son and husband have passed on, but she speaks about them with great love.

Corbin is a short-term stay resident at Crest Pointe, where her special day was celebrated with all the fixings – including balloons, cake and fun. “I’m so thankful for the time and care of the staff here at Crest Pointe,” she said, expressing her gratitude to the facility’s care team. “Everyone has been so nice. Many make the point to chat, to see how I’m doing and hear my stories.”

To stay in shape, Corbin loves utilizing the gym at Crest Pointe. “The staff in the gym are keeping me moving,” she said.

Located at 1515 Hulse Road in Point Pleasant, Crest Pointe Rehabilitation & Healthcare Center provides post-hospital care, short-term rehab and long-term residential care. The facility maintains a five-star rating for quality measures from the Centers for Medicare & Medicaid Services (CMS).
