The Terraces at Lawrence Welcomes New Executive Director

Samantha Meisner Brings Breadth of Experience to Mercer County, N.J., Assisted Living Community

LAWRENCE TWP., N.J. (Feb. 6, 2024) – [The Terraces at Lawrence](#) has named Samantha Meisner as its new Executive Director. Located at 1 Bishops Drive in Lawrence Twp., The Terraces has long been a valued assisted living option for Mercer County seniors, offering assisted living, memory care and respite care enhanced by resident-focused services and amenities.

Trained as a social worker, Meisner has devoted her career to working in assisted living, independent living and skilled nursing settings. Previously, she spent seven years at Oxford Enhanced Senior Living, a continuing retirement community in Langhorne, Pa. Born and raised in New York's Hudson Valley, she earned her bachelor's degree in social work from Cairn University in Langhorne.

Meisner believes that understanding what matters most to residents is critical to creating the best possible living experience. "I'm Italian, and I love nothing more than getting to know people over a shared meal," said the mother of four, who noted how much residents enjoy it when she brings her children along for visits. "In this age of computers and cell phones, people still thrive on personal interaction."

Originally established by the Catholic Diocese of Trenton, an ownership change in 2022 has ushered in a new chapter for The Terraces at Lawrence. With that transition, senior living consulting organization [Marquis Health Consulting Services](#) is empowering leadership by providing administrative and operational guidance and support.

"We are thrilled to welcome Samantha to her new role as executive director of this unique community," said Brandon Smeltzer, vice president of sales and marketing, Senior Living, for Marquis. "The Terraces at Lawrence has a long history of providing care and comfort, and she is committed to ensuring that the entire care team has the resources to ensure that each and every resident can embrace an enhanced quality of life in a warm, community-focused environment."

Conveniently situated just off Route 295, The Terraces at Lawrence offers residents a fulfilling lifestyle with beautifully appointed apartments, gourmet dining and access to

services they need, when they need them. It is part of the 40-acre Lawrence healthcare campus, which also includes skilled nursing care at [The Meadows at Lawrence](#) and [Lawrence Rehabilitation & Healthcare Center](#), as well as [Lawrence Rehabilitation Hospital](#).
