Industry Professional Brings Diverse CRE Experience to New Role

NORTH PLAINFIELD, N.J. (May 14, 2024) – Christian Marolakos has joined [Levin Management Corporation \(LMC\)](#) as a leasing and investment sales representative. The New Jersey native and resident brings a strong track record of experience to the North Plainfield-based commercial real estate services firm; his diversified background includes landlord and tenant representation, acquisition/disposition, investment sales, and property valuation services.

In his new role, Marolakos is responsible for leasing and marketing efforts at several New Jersey shopping centers within LMC's leasing and management portfolio. These include CVS Center in Montvale, Rutgers Plaza in Franklin Township, Bordentown Plaza in Bordentown, Stafford Park Shopping Center in Manahawkin, Aldrich Plaza in Howell, Chatham Plaza in Chatham and Route 9 Plaza in Old Bridge, among others.

Acquisition and disposition consulting also represents a notable component of LMC's vertically integrated, in-house services. Marolakos is a seller's and buyer's agent for retail, multifamily and mixed-use assets. In this capacity he will expand LMC's involvement in commercial real estate investment sales.

"Christian brings a very distinct skillset within both leasing and investment sales, and we are pleased to welcome him to the Levin team," said Sidney Singer, vice president of leasing. "We're confident that his market knowledge, strong industry relationships and expertise across multiple areas of commercial real estate will add incredible value – and opportunity – for our clients."

Marolakos has brokered millions of dollars' worth of leasing and sales transactions to date in his career. He previously held positions with RIPC Real Estate, Marcus & Millichap and The Goldstein Group. He is a licensed New Jersey real estate salesperson and a member of ICSC.

For seven decades, LMC has served as a single-source provider for institutional, family office and high-net-worth investors/owners. The company's diversified, retail-focused portfolio includes 125 properties totaling more than 16 million square feet in the Northeast and Mid-Atlantic states. In addition to property management, leasing, and acquisition and disposition consulting, its full suite of capabilities includes financial management and reporting, construction management and development, lease administration, and marketing services.

LMC has distinguished itself as a firm large enough to excel in assignments of any scale while employing a hands-on, proprietary approach in every facet of its business. The firm's capabilities continue to evolve with new technologies, efficiencies and sustainability-focused initiatives to serve a new generation of properties, investors and tenants.
