Reliant Rehab Therapy Team at Tuckerman Rehab & Healthcare Center Earns Gold Achievement

North Bethesda, Md., Skilled Nursing Facility Known for Quality Care and Services

NORTH BETHESDA, Md. (May 22, 2024) — [Reliant Rehabilitation](#) has recognized its high-performing therapy team at [Tuckerman Rehabilitation & Healthcare Center](#) with its Excellence in Quality – Gold Award. Tuckerman, a 140-bed skilled nursing facility, is located at 5550 Tuckerman Lane in North Bethesda.

Reliant Rehabilitation is a leading national provider of physical, occupational and speech therapy services. The company's Excellence in Quality – Gold Award is determined by multiple measures, including patient outcomes and chart auditing, as well as a facility's quality measures. Less than 3% of the nearly 900 Reliant-supported facilities nationwide received a gold achievement in Q4 of 2023.

"Tuckerman is pleased to have the gift of this exceptional Reliant Rehabilitation therapy team," said Nikki Gachot, regional director of market development for [Marquis Health Consulting Services](#), which supports the center. "Both Marquis and Tuckerman congratulate each of the talented Reliant therapists on this notable achievement."

Nestled in a quiet neighborhood in Montgomery County, Tuckerman Rehabilitation & Healthcare Center provides post-hospital care, short-term rehab and long-term residential care. Tuckerman's Five-Star Quality Measures rating from the Centers for Medicare & Medicaid speaks to the facility's commitment to its residents and community. More information on the skilled nursing facility and its programming can be found at tuckermanrehab.com.

Brick, N.J.-based Marquis Health Consulting Services provides administrative and consulting services to skilled nursing facilities and senior housing communities along the Eastern Seaboard. The organization's operational guidance enables its clients to exceed their quality and customer service goals by embracing a progressive, multi-specialty approach to healthcare and lifestyle.
