

For Immediate Release

Walters' Annual Thanksgiving Basket Drive to Benefit 150 Resident Families

Walters Staff Donates Free Baskets to Make Holidays Brighter

BARNEGAT, N.J. (Nov. 22, 2024) – [Walters](#) is hosting its annual Thanksgiving food basket donation to assist local families and individuals who may otherwise go without this holiday season.

This year's goal is to assist 150 families living in Walter's income-restricted communities. Walters employees are assembling and delivering the baskets to families and individuals on Monday, November 25. This is the fifth year that the staff has held a Thanksgiving food drive to benefit resident families. The baskets are filled with gift cards and non-perishable food items.

"Our staff recognizes the importance of giving back to the communities where Walters builds," said Jennifer Pampalone, social services coordinator for Walters. "Every department within the company has come together to collect monetary donations and food items to make this year's drive a success."

Pampalone works in tandem with Walters' property managers to provide specialized programming for residents living in family and senior (55+) income-restricted communities located throughout New Jersey.

Walters prides itself on its commitment to the community with philanthropic efforts, such as providing holiday gifts for lower-income families, offering year-round food/necessity pantries at its properties, and supporting wellness and education initiatives. Additionally, each year, Walters presents scholarships to graduating seniors in the Barnegat Bay area who plan to attend college.

Walters is an award-winning real estate owner, developer, and property manager committed to the highest construction standards and environmentally responsible building practices. The privately-held firm builds income-restricted and market-rate housing, premium custom homes, retail centers, and office buildings. Active throughout New Jersey, Walters has three divisions—Walters Homes, Walters Architecture LLC and Walters Apartments. The team has the skills and expertise required to handle the most complex suburban developments from concept to completion. More information is available online at www.waltersgroupapartments.com.
