Allentown, Pa., Senior Community Awarded National Recognition from AHCA/NCAL

Riverton Campus Honored for Skilled Nursing and Personal Care

ALLENTOWN, Pa. (Sept. 29, 2026) – The Riverton Senior Living campus in Allentown has achieved two prestigious [American Health Care Association and National Center for Assisted Living \(AHCA/NCAL's\)](#) Bronze – Commitment to Quality Awards for its dedication to improving the lives of residents. Located at 803 North Wahneta Street, the campus includes [Riverton Enhanced Senior Living](#) and [Riverton Rehabilitation & Healthcare Center](#), which was named among [America's Best Nursing Homes 2026](#) by Newsweek.

AHCA/NCAL, the nation's largest industry association, represents more than 15,000 long term care facilities. Now celebrating its 30th anniversary, AHCA/NCAL's [National Quality Award Program](#) is a rigorous three-level process in which organizations are reviewed and evaluated by trained experts against a set of nationally recognized standards for excellence. The program helps organizations achieve superior performance over time, ultimately enhancing the quality of care and quality of life for their residents.

"Earning AHCA/NCAL's sought-after Bronze – Commitment to Quality Award reflects both Riverton Enhanced Senior Living's and Riverton Rehab & Healthcare's dedication to providing transformative care," said Shelby True, executive director at Riverton Enhanced Senior Living. "We are incredibly proud of this accomplishment."

Danielle Koons, regional vice president of market development – Pennsylvania at [Marquis Health Consulting Services](#), which supports the Riverton campus, added "we congratulate the teams on this well-deserved recognition and on the recent Newsweek honor for Riverton Rehab." As Bronze award recipients, both communities can move on to the second level of the program, the Silver – Achievement in Quality Award.

Marquis Health Consulting Services provides administrative consulting services to 112 skilled nursing facilities and senior living communities along the Eastern Seaboard. The hands-on, third-generation family-owned company's "Care, anew" philosophy supports its mission to help clients transform industry processes, mindsets and

outcomes. In 2026, nearly two dozen Marquis-serviced clients achieved the AHCA/NCAL Bronze Quality Award.

“Marquis is a respected, long-time member of our Association, and we are grateful its leadership continues to provide guidance, resources and encouragement for the pursuit of excellence,” said Clif Porter, AHCA/NCAL president and CEO. “In turn, the skilled nursing facilities and senior living communities Marquis supports are upholding and improving quality within our profession.”

Newsweek’s 2026 list, in partnership with global data intelligence firm Statista, recognizes the top 1,200 nursing homes across the nation. Facilities were evaluated on four pillars including performance data, peer recommendations, accreditations and resident satisfaction, with performance data carrying an increased weight in 2026 to reflect the growing emphasis on clinical quality metrics.
