Nov. 11: Litchfield Health & Rehab Center Invites Local Veterans to Coffee Hour

Nursing Home Hosts Veterans Day Social Event to Connect Local Vets with Residents Who Served in the Military

LITCHFIELD, Ill. (Nov. 6, 2026) – Litchfield Health & Rehab Center, a skilled nursing home in Litchfield, invites local veterans for a morning of free coffee, donuts, and camaraderie. The social event will be held on Veterans Day, Wednesday, November 11, from 10 a.m. to 11 a.m., in the facility's Rosemont dining room at 628 South Illinois, Litchfield.

The coffee hour is designed to provide a welcoming environment where area veterans can connect with the six veterans who reside at the Litchfield nursing home. The gathering encourages veterans to share experiences and forge new friendships.

"We want to promote a strong sense of community by giving our residents opportunities to connect with fellow local veterans and build friendships. These connections and social bonds play an important role in supporting long-term health and well-being," said Jamie Evans, CEO/Administrator of Litchfield Health & Rehab.

Reservations are not needed. For questions about the event, please call 217-324-2153.

Litchfield Health & Rehab hosts a variety of community events throughout the year to engage with neighbors and residents in Litchfield and the surrounding communities. Popular annual traditions include visits by the Easter Bunny, Halloween trick or treating, and holiday light displays.
